The firm Otto Ulbricht was founded in 1929 in Seiffen/Erzgebirge and makes herself known through the wonderful wooden figures. In the exhibition in Paris her plans for boys bedrooms and singers are rewarded with golden medal.

Entwürfe von Kinderzimmeruhren und Kurrende-sänger mit der Goldmedaille ausgezeichnet. Fleiß und Einfallsreichtum von Otto Ulbricht ließen die Firma zu einer der bedeutendsten der Branche wachsen. Die besondere Gestaltung erzgebirgischer Volkskunst kann nicht einfach erlernt werden, sie muß wachsen – von Generation zu Generation weitergegeben – und verstanden werden. Auch heute noch werden im Familienbetrieb Otto Ulbricht jene unverwechselbaren erzgebirgischen Figuren entworfen, die dem Stilempfinden einer langen Tradition entspringen. Stück für Stück an der Drehbank gedrechselt und handbemalt, vermitteln sie den typischen Ausdruck einer alten Volkskunst.

The diligence and the ingenuity of Otto Ulbricht made the firm become one of the most important in this sector. The particular popular craft cannot be easily learned but she must increase, go on from generation to generation, and therefore be understood. Also today in Otto Ulbricht's family marvellous and poetical figures are created and they come from an old tradition. Piece for piece they are turned on the turning-lathe and handpainted, because they must give the impression of an old popular craft.
